

Introduction

The EmPower+ Application is intended to streamline the application process while broadening the scope of services approved applicants are eligible for. Applicants can access the application by navigating to <https://www.nyserda.ny.gov/All-Programs/EmPower-New-York-Program/EmPower-Application>. Applicants can access and complete the application online (an Application Portal Account is required) or print, sign and mail in a paper application.

Applicants can receive assistance from Participating Contractors and/or Community Organizations when completing an application.

Why Complete an Application Online?

Faster, Safer, and More Accurate:

- It's the fastest path for reviewing and approving a low or moderate-income EmPower+ applicant.
- Reduces or prevents incomplete, incorrect, or missing information in the application.
- Sensitive documents (proof of income, utility bills) in any format (pdf, photo) are uploaded securely.
- Applicants can provide an e-signature rather than a physical one.
- Approved applications automatically and seamlessly upload into Uplight to auto-create projects.

More Control:

- Applicants can choose their Contractor if they own the property referenced in the application.
- Applicants can start, stop and return to the application at anytime which is helpful if:

The application cannot be completed in one setting,

They need additional time to gather required and/or supporting documents or information.

More Reliable Communications:

- NYSERDA staff can leverage the online application to quickly contact applicants for missing documentation or information.
- The system the application is built around provides timely, automated reminders and notifications to applicants when communication is necessary.

Reminders are sent at Days 10, 20, and 30 once an application has been initiated.

Manual cancellation of the application occurs at Day 30.

The materials below provide additional resource and materials to help applicants through the EmPower+ Application. This page contains two tabs that applicants can access. Please review each tab to review instructions or required actions when completing and submitting an online application. Note that applicants who would like to complete the application online must create an **Application Portal Account** first.

NYSERDA does not need Social Security Numbers, Routing/ Account Numbers, or PINs. These numbers should be blackened-out on the copies of the documents you submit to the program. For help redacting your documents, please click here [\[link\]](#).

What if I don't have a copy of my current tax return

If you do not have a copy of your return, you may request a transcription of your return to be mailed to you free of charge by completing IRS Form 4506-T or by going to [IRS.gov](https://www.irs.gov) and clicking on "Get a tax transcript", or by calling 1-800-908-9946.

Please submit the required documents for either Option 1 or Option 2 below:

Option 1: Individual Income Sources: include all sources of income for each household member, 18 years or older, who is not a full-time student. If a household member has multiple sources of income, complete a separate line for each income source.

If documenting income with tax returns, all sources of income must be documented with tax returns. Returns must be the most recent Federal Income Tax Return (Form 1040, 1040A, or 1040EZ). The main heading is 'Combined Residential Application', followed by a progress indicator showing seven steps, with the last step being active. Below this, it says 'Submission Page (Step 7 of 7)'. A light blue box contains contact information and instructions: 'Need help? - call 877-697-6278, email us at: info.residential@nysersdc.ny.gov. Please complete the below to submit your application electronically to the program. Submitting electronically will allow for the program to immediately begin the review process. If you choose not to submit electronically, you will need to print and mail in your application and copies of any required income documentation. Your application review will not begin until your signed paper application has been received. Please send printed and signed application along with copies of income documentation to: Energy Audit Application; 2 Wall Street, Albany, New York 12205'. Below this box, a gray bar says 'Click on the submit button below to complete this application.' At the bottom, there are two buttons: a light gray 'PREVIOUS' button and a blue 'SUBMIT' button, which is highlighted with a green border.
