

SecureAuth/Passcode QR Code Registration for IOS

SecureAuth/Passcode QR Code Registration for IOS

This page provides guidance on how to use SecureAuth/Passcode QR Code Registration for an IOS device.

1

Start by going logging into SecureAuth at: <http://secure.nyserda.ny.gov/SecureAuth998/SecureAuth.aspx>.

2

Login with your NYSERDA Credentials; **Username** and **Password**.

The screenshot shows the 'User Enrollment' page of the NYSERDA SecureAuth system. At the top is the NYSERDA logo, which includes the text 'NEW YORK STATE OF OPPORTUNITY' and 'NYSERDA'. Below the logo, the title 'User Enrollment' is centered. A prompt 'Please enter your UserID below.' is followed by the label 'Username:' and a text input field containing the placeholder 'Username'. Below this is the label 'Password:' and a text input field containing the placeholder 'Password'. A 'Submit' button is centered below the password field. At the bottom of the form, there is a link 'Restart Login' and a copyright notice: 'Copyright 2020 SecureAuth Corp. All rights reserved.'

3

Choose where you want to get your registration code.

Email is as default. You can also send a code to a mobile phone on file as well as send the code itself to the Help Desk
